MAJOR IMPROVEMENT WORKS TO TAKE PLACE ON THE ARGYLE LINE

Major improvement works on the track, tunnels and overhead line equipment between Rutherglen and the Exhibition Centre will take place from **13 March until 8 May 2022**, with the line closing and no services running during that time. Many services which would normally operate via Glasgow Central Low Level will be diverted into Glasgow Central High Level or Glasgow Queen Street Low Level. Revised services will operate on all routes during the closure, and journey times may be extended on some services to allow for trains taking a diverted route
